**Re: Docket 11-65**

Dear Mr. Chairman and Commissioners:

As the primary economic development organization in the City of Brunswick and Glynn County, Georgia, the Brunswick and Glynn County Development Authority is tasked with promoting our area for new job opportunities and capital investments. In executing this mission, we regularly find that companies demand ready access to advanced telecommunications infrastructure in order to support their operations. It is our belief that the proposed AT&T / T-Mobile merger will only enhance the telecommunications opportunities for our much valued existing business community, as well as for those businesses considering locating in our area. Given this, the Brunswick and Glynn County Development Authority respectfully requests your favorable consideration of the proposed AT&T / T-Mobile merger.

Sincerely,

S. Nathan Sparks, CEcD  
Executive Director
